2015 W-2 Update

The National Finance Center (NFC) is in the process of printing and mailing calendar year 2015 W-2 Forms. The majority of W-2s are available on the Employee Personal Page (EPP).

If an employee's W-2 is not on EPP, the W-2 will require manual intervention by NFC. As the W-2s are completed, they will be mailed to the employee and updated on their EPP. The mailing process will continue through Friday, January 29, 2016.

Electronic W-2

On January 19, 2016, the Internal Revenue Service (IRS) began accepting electronically filed tax returns. The IRS has set the final deadline for filing Federal income taxes this year as Monday, April 18, 2016, due to Washington, D.C. celebrating Emancipation Day on April 15, 2016.

You can quickly file your Federal and state income taxes by downloading your W-2 electronically from [MyEPP](#).
